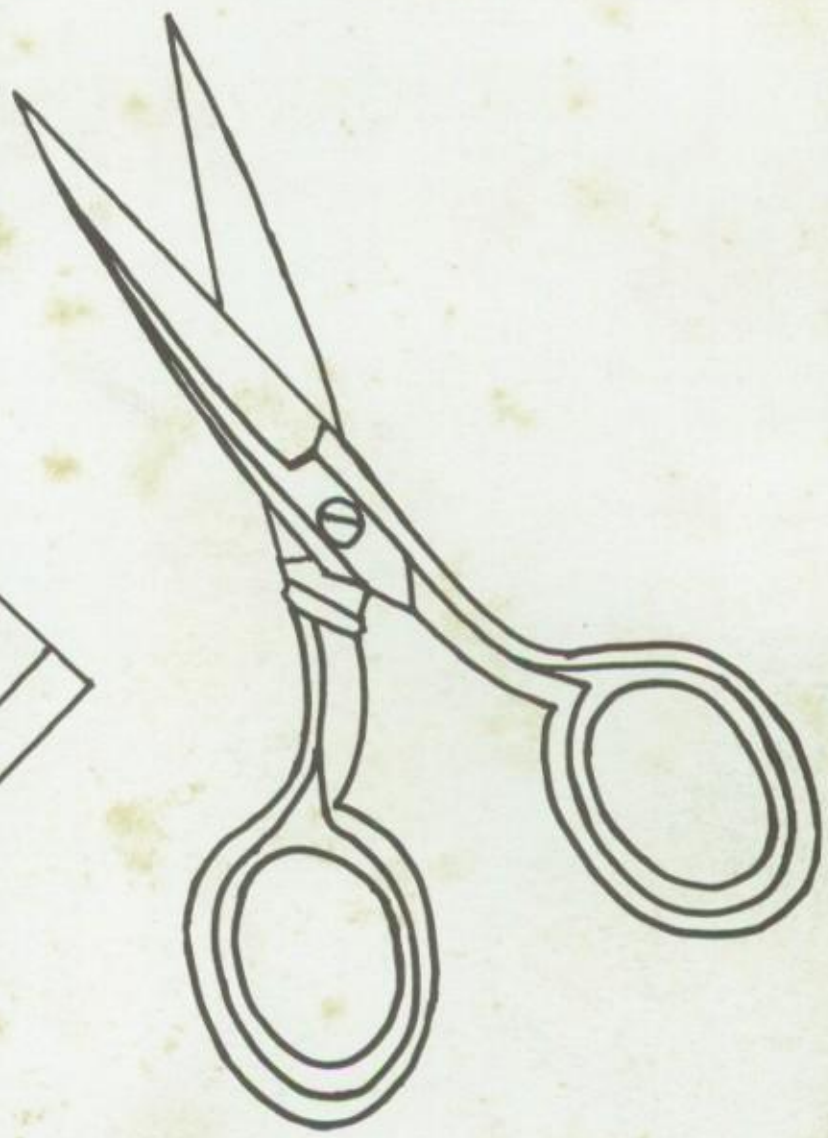
A Cut Above



Each person has something special that he identifies with. In today's world, it's often difficult to find that particular identity. The *1981 TALON* captures the essence of the school year, giving everyone something that they can call their own. When looking through these pages, do not merely look at pictures and words, but try to once again experience the spirit that made the pictured events a living part of every person who passed through these halls. The people and their involvement at Southeast help to make our school a cut above the rest.

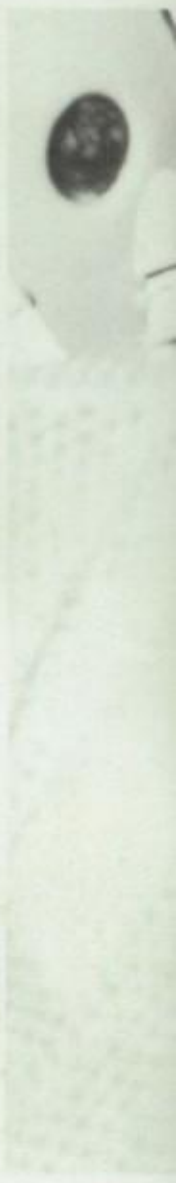
EVERYONE GAVE THEIR SHARE



During the course of the school year, many people have helped Southeast stand out from the rest. These people have come from many directions to provide us with a sense of pride in their own way. From academics to athletics, the students have won honor after honor. Not only did Southeast have a Morehead Finalist, but we also had several National Merit Finalists and National Achievement Finalists. In the Music department, the band won several superior ratings and four members were chosen for the All-State Band. The many different clubs provided services that benefited the school as well as the surrounding community. The athletic program provided students who excelled in sports to put Southeast on top in yet another way. The teams exemplified the idea of team work but still produced many outstanding individuals that were recognized as All-Conference players. Even though these many people excelled in different areas, they blended together and helped create a unique atmosphere which made Southeast stand out above the rest.

THE KEY TO SUCCESS IS BELIEVING IN YOURSELF

What one thing sets Southeast apart from any other school? It's probably the determination of its students to strive for perfection. Whether it is in taking an exam or winning the big football game, we have proved our ability to work for our goals and meet obstacles head on. And if we fail — well, it's only temporary. Besides, it is having tried that really counts. Maybe that's why Southeast is "A Cut Above" the rest.

Here at Southeast there is a woman whose skills are greatly appreciated but seldom recognized. Being ever present and ever willing in times of need, she devotes her time and energy to us, the students of Southeast. She works behind the scenes but her accomplishments are viewed throughout the school. It is with great pride that we dedicate the *1981 TALON* to Marie H. Swaim.

TOO **HOT** TO **TROT!**

The Falcons set the style for the new decade with "Send One Your Love." After dining in Greensboro's finer establishments, the couples showed up at the Village Green in trend-setting fashions. The Junior Class officers had emptied the treasury to cover their expenses, but it was well worth it. The Ballroom was arranged to provide the maximum dancing space. The tables were elegantly arranged with white tablecloths and a single red rose on each. Refreshments were provided by a catering service. Falcons moved to the groove of "Windfall" and the mood was set. All kinds of male-female relationships, varying from "Sparks of love" to "Crash and Burn," resulted — 'cause the falcons are Too Hot to Trot!

Homecoming 1980

Fun For All

The week of October 24 was long awaited by all of Southeast as Homecoming 1980 ap
proached. The cheerleaders stimulated the Falcon spirit by sponsoring spirit days throughou
the week and selling corsages during lunch. After weeks of preparation by the Student Counci
the annual Homecoming activities were held in the auditorium during fifth and sixth periods o
Friday. Activities included class competition in such grueling events as the wheelbarrow race
Mello-Yellow chugging, and the izzy-dizzy bat spin. The Junior class took an early lead, but th
tables turned as the last event, the prune in the flour contest, left faces whitened trying to find th
buried prune in a mound of flour. The festivities continued that night with the presentation of th
Homecoming Court at half-time of the game. Afterwards, Falcon fans shagged through the we
hours of the evening with the unique sounds of "Hip Pocket."

With the night at its end, it was the common feeling of all that Homecoming 1980 would no
soon be forgotten.

A tinge of excitement filled the air as Homecoming 1980 finally arrived. Despite the freezing weather, the warmth of the crowd was radiated through tears of congratulations as Michelle Newsome was named Maid of Honor. A silence fell over the crowd as the big moment came closer. Finally, with the tension at its peak, Laura Morse was announced as the 1980 Homecoming Queen. Representing the senior football players were K. Hartsell, J. Long, C. Filer, C. Russ, A. Fields, L. Apple, L. Littman, L. Moore, T. Poitras, E. O'Connell, E. Phipps, B. Lieb, D. Martin, H. Amey, R. Butler, A. Blake and V. Freeman. With the conclusion of the ceremonies, the attention of the crowd was once again drawn to the football game as Homecoming 1980 continued.

The Southeast Student Council presented its annual Miss Southeast Beatuy Pageant on February 14, 1981. The contestants of this year's "round-up" were representative of different clubs. The contestants got to know each other better through many hours of work and practice. To give the judges an opportunity to meet with the contestants, the sophomore girls of the Student Council prepared a pre-pageant dinner. This dinner also gave the judges a chance to talk with each contestant individually.

Finally, after many days of planning and preparation, the fifteen nervous contestants listened for the cue to "STOMP" as Urban Cowgirls to Bonnie Raitt's "Don't It Make You Wanna Dance." Following the opening dance, the girls took part in talent and evening gown competitions. At the conclusion of the evening, the finalists were chosen and the new Miss Southeast for 1981, Miss Allison Cooke, was crowned.

FINALISTS: Holly H., Holly A., Amy, Michelle, and Allison.

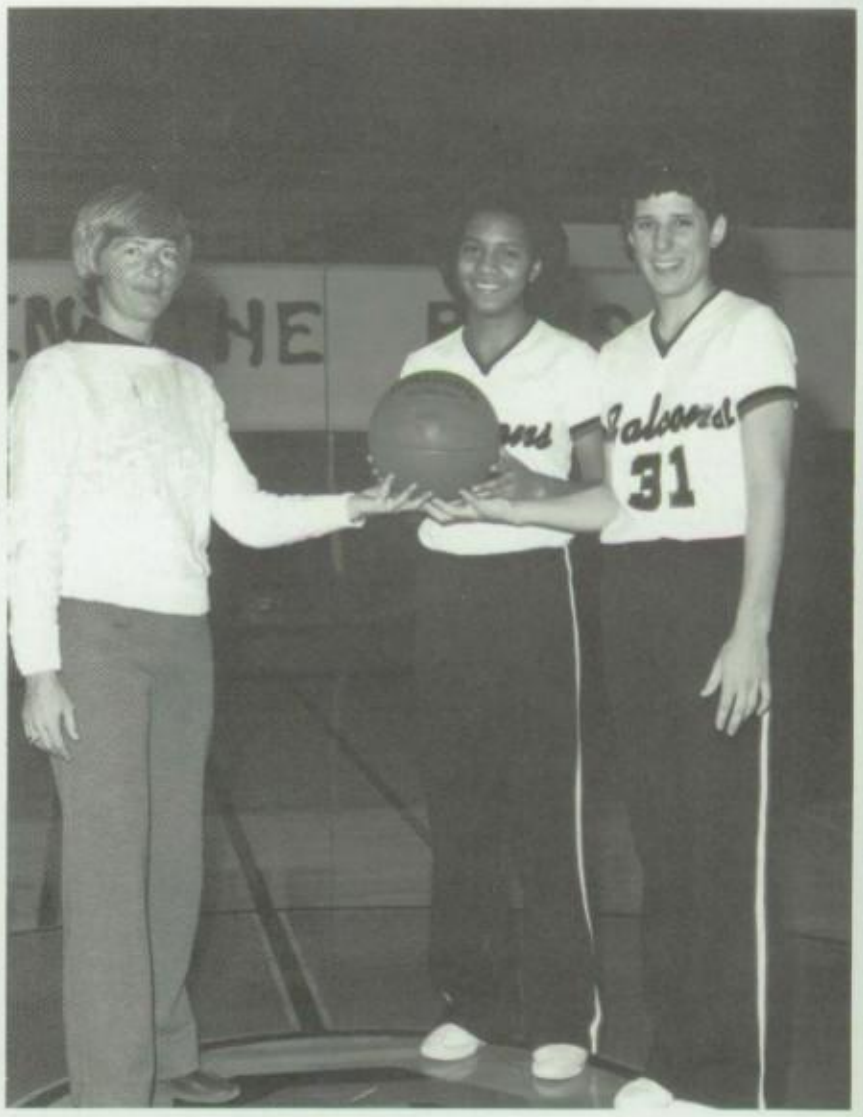
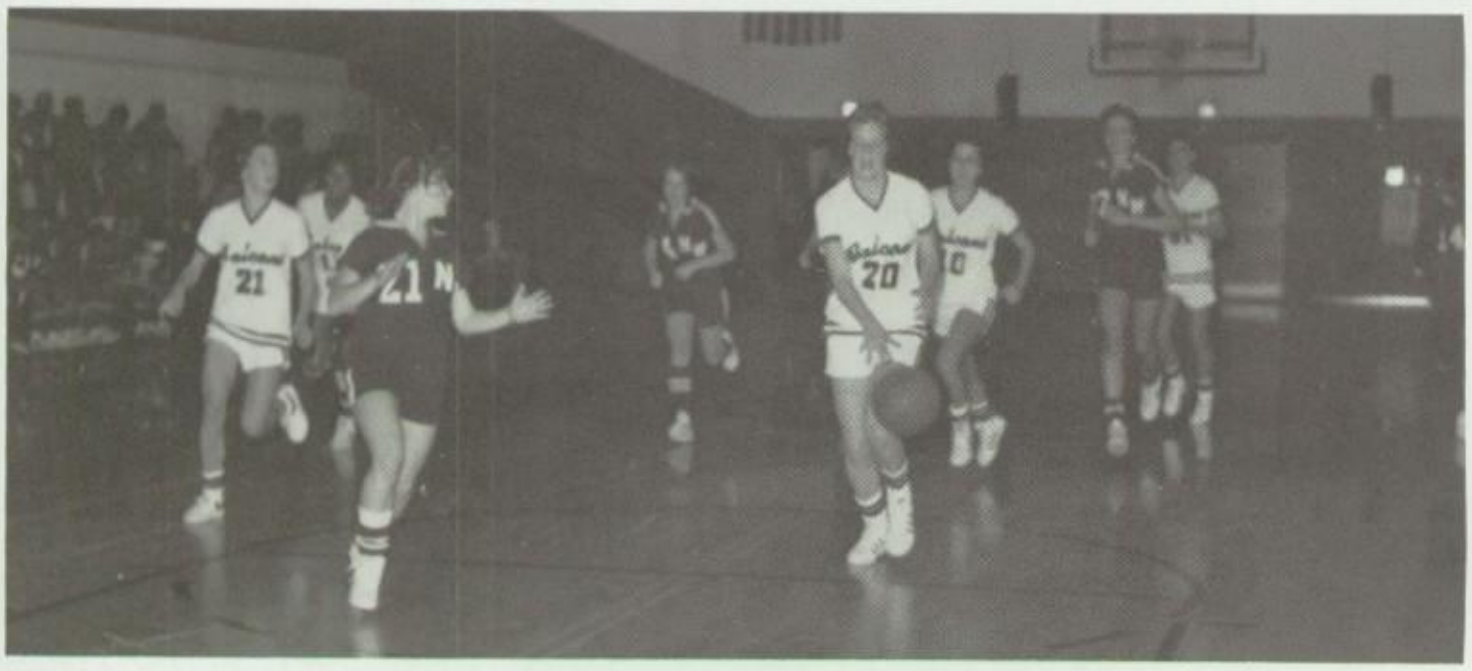
GIRLS' VARSITY

DARLENE WOODS — Manager, STEPHANIE BLISS — Statistician, DIANE SMITHERMAN — Trainer, CHRIS GIBSON — Scorekeeper.



Coach Carolyn Stutts with Captains Cheryl Smith and Rhonda Gibson.



As Lisa Prillaman brings the ball down the court, you may notice that the scoreboard shows the Falcons to be behind by a score of 3-24 with 4:34 left in the first half. Though the girls looked sluggish at first, they started their slow but steady comeback late in the second quarter. At halftime, the score was 13-29 Northwest; at the end of the third quarter, the score was 33-41, and it just kept going up. Finally, with 3 seconds left, the score was tied 55-55 and the Falcons had possession of the ball. Kathleen Thompkins put in the winning shot just before the buzzer and the Lady Falcons walked away with a very impressive victory.

Winning was the word for the Southeast speedsters as they and their coach, Mr. Bob Kime, finished their season with a 6-3 record. The track team placed 5th in the Conference meet and the boys' team set a new school and conference record in the 1600 meter relay. The excitement did not stop there, for both the girls and boys set new school records in various events. New record holders included Newsome, Burchette, Cheek, Davis, Brandon, and Osborne for the boys' team and McKay, Finger, and Wilson for the girls' team. We congratulate our fabulous Fleet-Footed Falcons for an outstanding season in track.

Leslie Reece, Rhonda Gibson, Lisa Prillaman, and Pat Lackey were all-conference players, and Senior Leslie Reece was also chosen "Player of the Year."

SENIORS

When the class of 1981 took over seniority, things really began to change. The year began with a strange symptom only the seniors could express — SENIORITIS! This so called plague was a feeling of success that could not compare with any other. The class of '81 will go on with much pride and determination as we travel a path which we may never pass again. The past twelve years have memories that we shall cherish forever. The success of our efforts, that we struggled and strived for were reached as the seniors of '81 walked down the aisle of the Greensboro Coliseum and received their diplomas. There were both feelings of sorrow and happiness as the seniors of '81 prepared to go their own ways to meet the future.

JUNIORS

The Junior class should be commended for their surprising maturation from their Sophomore year. Now, they are quite close to the Senior class. In fact, most Juniors say, "We're only Juniors and Seniors at school. Outside of school and on weekends, we're all the same." However, they all seem to agree "Sophomores are always Sophomores." The Junior class is motivated by their desire to prove their superiority to the Sophomores, as well as their equality to the Seniors. The vitality of the Junior class has shown they are prepared to fill the shoes of the graduating Seniors, once again proving they are "A Cut Above."

What can you say about Sophomores? To many of the upperclassmen the answer is "Not Much". However, now that they have stepped through the looking glass into the real world of Senior High School, the Sophomore class has proved it has the ability and enthusiasm to cope with their new surroundings. Of course, the goings have been rough and there are many obstacles yet to be faced. Nonetheless, eagerness of the Sophomore class to meet new challenges has shown they are capable of keeping that Falcon spirit alive in the years to come.

Cone®

FABRICS PEOPLE LIVE IN

Cone offers the opportunity to get ahead, to get to the top

Opportunity at Cone Mills means the potential to go all the way to the top if you have what it takes.

We start with personalized training to help each individual learn the skills to perform his or her assigned job. Other companies may stop here, but we view personal development as a continuous process, and Cone's training and educational programs reflect this thinking.

Our policy is to provide the opportunity for each Cone employee to develop to his or her fullest extent possible, because we strongly believe the success and strength of the company depends on the success of individuals within the company.

We are firmly committed to promotion from within. We move people up, reward them accordingly, give them added responsibilities — and watch them grow.

At Cone, you'll certainly get the opportunity. The rest is up to you.

Cone Mills. Some 12,500 people at 22 plants. Our products include denim, corduroy and fabrics for sportswear, uniforms, career apparel and home furnishings. Other businesses include fabric finishing and the manufacture of an extensive line of polyurethane foam products.

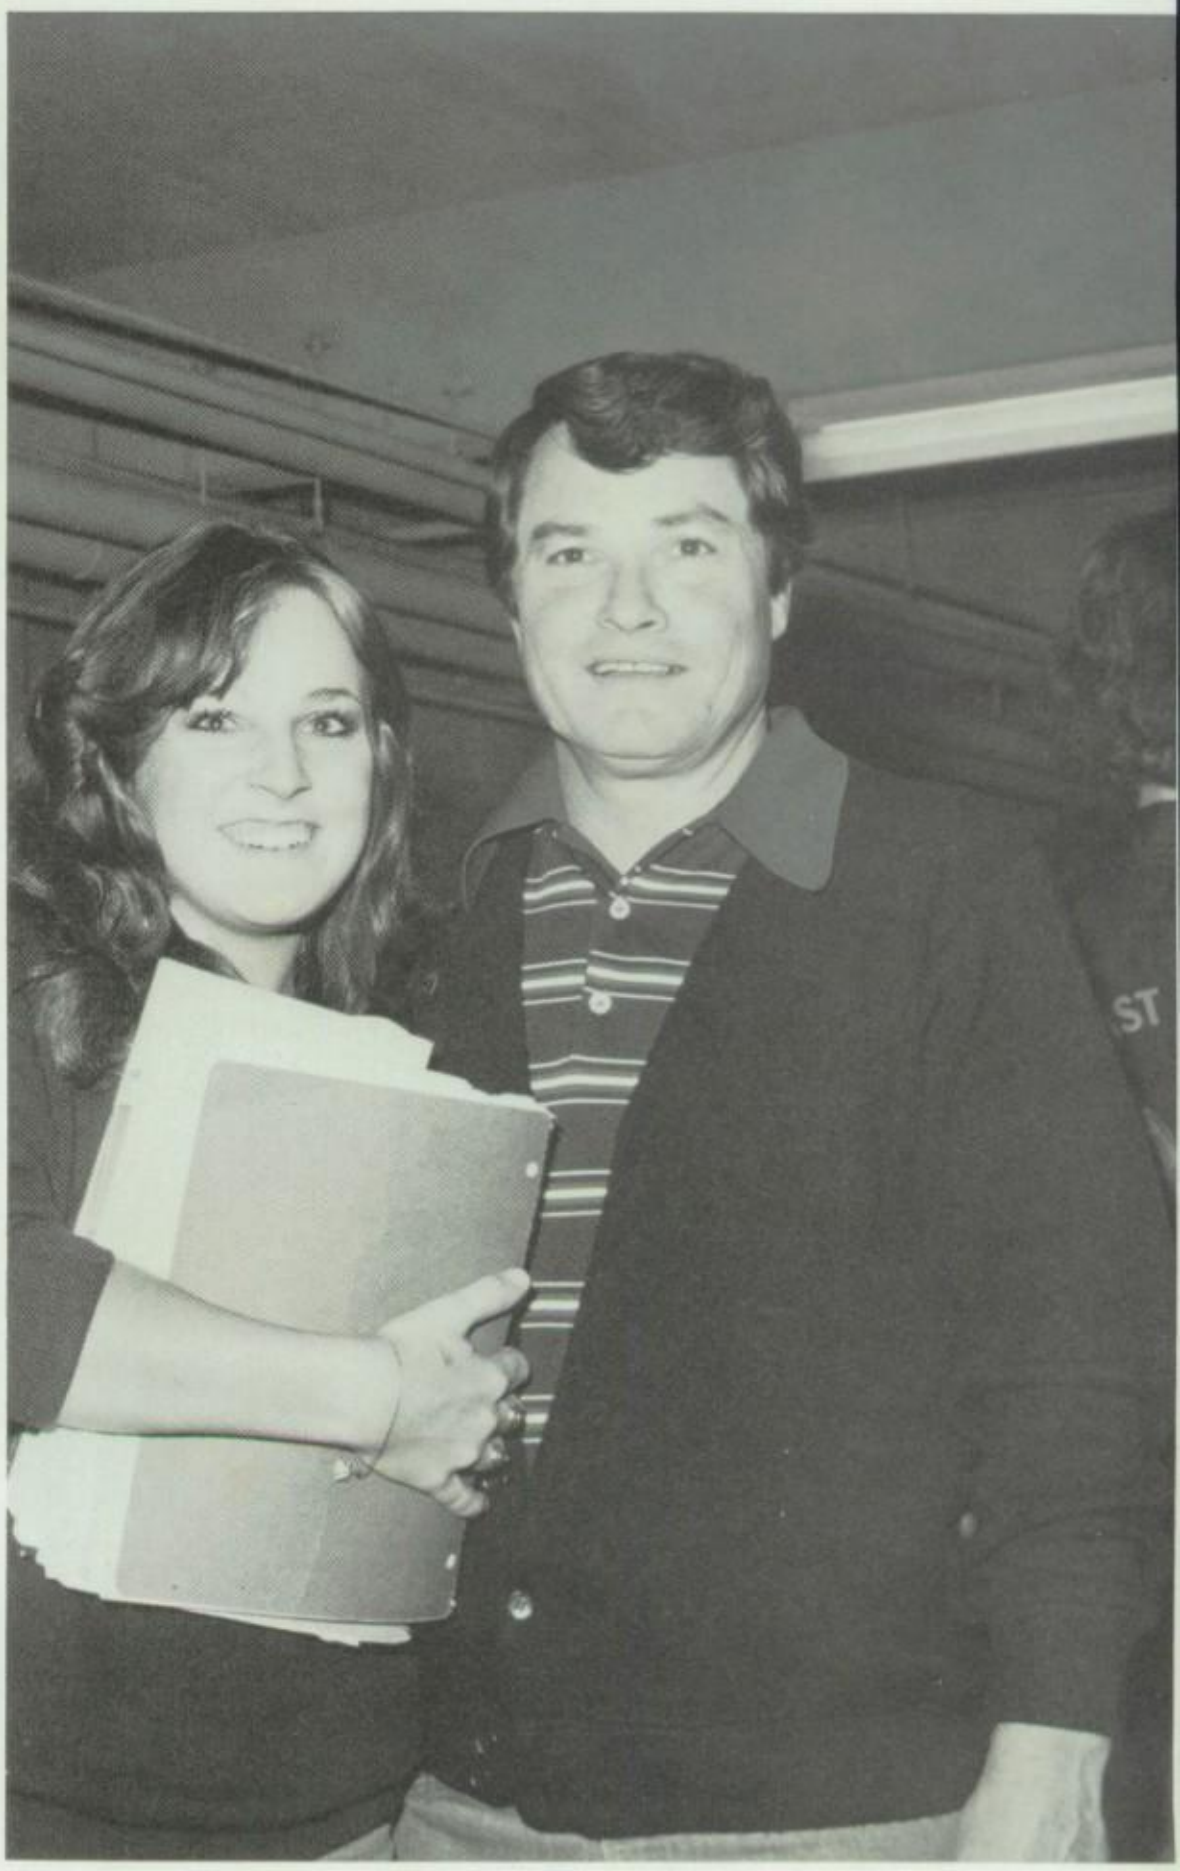
We, the yearbook staff of 1981, would like to express our appreciation and gratitude to a person who has helped to make this year's *TALON* a success. His many contributions have been essential to the completion of this annual. His dedication and patience have helped to guide each and every person at Southeast through this long, tough year. For these and many more reasons, we would like to thank Mr. Raymond L. Driscoll.



R. D.

Mr. Driscoll's daily routine includes his morning coffee, film for the staff, and a little touch of class.

Putting together a yearbook is certainly not the simplest of tasks. It calls for creating the mood of an entire year and compacting it into a few short pages. This required firm determination and co-operation between the staff and advisor, as well as long hours of work selling ads, cropping pictures, drawing layouts, and typing copy. We would like to thank the entire staff for their continuous effort, and especially Allison Cooke for designing the cover. Special recognition is due to the merchants of Forum VI and One Cut Above Hair Salon for their co-operation in providing settings for various pictures. We would also like to express our appreciation to Mr. C.F. Boswell for his photographic contributions. Most of all, we would like to especially thank Mr. Raymond L. Driscoll for his knowledge and guidance and for playing zookeeper every 6th period.
